## CAPABILITIES

**Roman MediaWorks (RMW)** is a full-service, script-to-screen video production, broadcast engineering, virtual events, and communications firm, whose principal executive, Mr. Roman Holton, brings over 20 years of industry experience as an entrepreneur, executive producer, and director.

RMW is a company that provides creative media solutions for all your communications needs. Our team will design compelling content to advance your mission, whether it's your internal or external messaging or training.

Our clients know we can bring singular storytelling, fresh perspectives, and production value to all communications, whether for government, non-profit, or the private sector.

Our award-winning team of creative and technical professionals assures stunning outcomes with on-time, on-budget delivery of your project.
